New Client Set-up Documents

Greetings and welcome to Universal Shipping, Inc & USI Logistics Inc.

USI has over 100 offices and agents around the world. We specialize in service to and from all ports in China, Southeast Asia and USA and Europe.

By maintaining over 18 service contracts with such major carriers as Maersk, NYK, APL, Hanjin, Hyundai, MSC, CSCL, Evergreen, Mitsui, K-Line, Cosco ... we are able to offer competitive rates to meet all your import and export requirements.

Over the years, we have acquired a vast knowledge handling various commodities: from oversized or out of gauge shipments to machinery & parts; hazardous and non hazardous chemicals; automobiles; Recovered commodities, lumber, tiles and granite; paper products; furniture; E-goods and general merchandise.

USI strive to provide the most competitive rates that will result in cost savings in all aspects via ocean, air, trucking and 3 PL warehousing for both import and export shipments.

With our state of the art warehouse (over 150,000 Sq Ft), our experienced team can smoothly perform trans-loading, storage and repackaging which will result in tremendous cost savings to you.

We appreciate the opportunity of providing our services so you can see first-hand that we can handle shipments from any loading to any discharge port across the world.

On the following pages you will find the subsequent documents which you are kindly requested to complete and return to send as part of the Set Up Documentation with USI
